Hi Alex,

Checking in on this. As I mentioned, I'm going to be out of town 8/24-8/31, and I'd like to meet the candidates before then. Do you think that's a realistic goal?

Thanks,

Ellen

Good Morning Ellen,

You are absolutely right about Raul. As sad as I am to see him go, I know that he will have a prosperous career.

I am already scheduling interviews with applicants to fill this role. My goal is to have a applicants ready for your selection by the end of next week.

I will keep you in the loop with regard to my progress.

Thanks,

Alex

Subject: Raul's replacement

Hi Steve and Alex,

Raul just let me know that he's been accepted into the academy. I know this is something he's been working toward for a while now, and I'm very happy for him and his future career. Of course, I'm sad to be losing such an incredible member of the team. Raul is precisely what I'm looking for in a Program Manager – he's resourceful, punctual, forward-thinking, organized, knowledgeable – and a fantastic team member. Let's do everything we can to find someone like him to take over the role.

To complicate matters a bit, I'm taking a vacation 8/23 – 9/1. With this in mind, I'd like to begin the interview process next week so we can have some overlap for Raul to onboard his replacement.

Thanks in advance for working with us to find the right fit for our organization.

Best,

Ellen
